

**Are *YOU* getting
THE BEST
RETURN?**

*Are you concerned about your
macadamia investment?*

**BEFORE COMMITTING YOUR
2007 CROP, PLEASE CONSIDER:**

- Since 1978, Pacific Plantations has honoured all contractual agreements
- Pacific Plantations has completely sold it's 2006 crop
- Pacific Plantations now has the largest production facility in the World
- Pacific Plantations' state of the art infrastructure provides the lowest cost farm services in the industry

Is your processor effectively managing these uncertain times?

Are they maximising your macadamia returns?
